

LIFTING SET INSPECTION REPORT
RAPPORTO DI ISPEZIONE LIFTING SET

REPORT NUMBER: AVS-XSQ-MCE-212962/25																																																											
REVISION: 0																																																											
Manufacturer or Supplier: NUTRISHORE FABRICAÇÃO DE CONTENTORES Costruttore o Fornitore			Inspection Date: 2025/07/23 Data di Ispezione																																																								
Owner or Operator: RT LEA LOCAÇÃO DE EQUIPAMENTOS E ANDAIMES Proprietario o Utilizzatore			Order: N/A Ordine																																																								
Place of Inspection: MACAÉ-RJ Luogo di ispezione																																																											
Depot/Site: BASE RT LEA Deposito/Sito																																																											
Working Load Limit (WLL) (t): 26.7 Carico di Lavoro Limite			Angles of Legs (to vertical) ≤ (°): 40 Angolo delle funi (sulla verticale)																																																								
Diameter of Slings / Fore Runner (mm): 32 Diametro Funi / Fore Runner			Length of Slings / Fore Runner (mm): 4.500 Lunghezza Funi / Fore Runner																																																								
Description of the Lifting Set: LINGA POLIDA 04 PERNAS Descrizione del Lifting Set																																																											
Identification No. or Mark: RT-CO-14012-1 No. Identificazione o Marcatura			Slings Reference Standard: IMO 860 Standard di Riferimento delle Funi																																																								
Grade of Wire Rope (N/mm2): 1960 Grado della Fune Metallica			Grade of Terminal Fittings: - Grado dei Raccordi Terminali																																																								
Certificate Number: MAC/15/00792 (BV) 004/15 (NUTRISHORE) Numero Certificato			Date of Issue: 2015/03/03 Data di Rilascio																																																								
Applicable Criteria Criteri Applicabili																																																											
<input checked="" type="checkbox"/> ISO 10855-3:2018 <input checked="" type="checkbox"/> Other/s: NBR 13541-2																																																											
Type of Inspection Carried Out / Tipo di Ispezione Effettuata NA = Not Applicable / Non Applicabile WR = Without Remarks / Senza Osservazioni SR = See Remarks / Vedi Osservazioni																																																											
Procedure: Procedura
